

CONNECTING to the BISHOPS PREP NETWORK

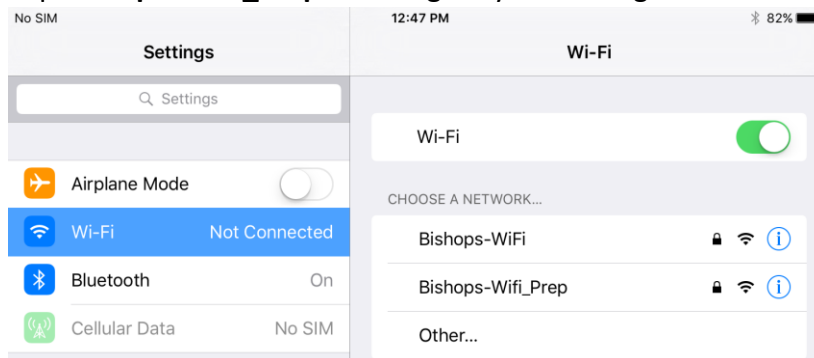

1. Go to your iPad **Settings** and tap **Wi-Fi**

2. Turn your **Wi-Fi** setting **ON**

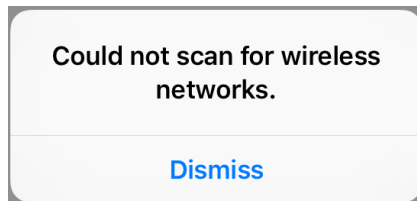

3. Tap **Bishops Wi-Fi_Prep** to configure your settings

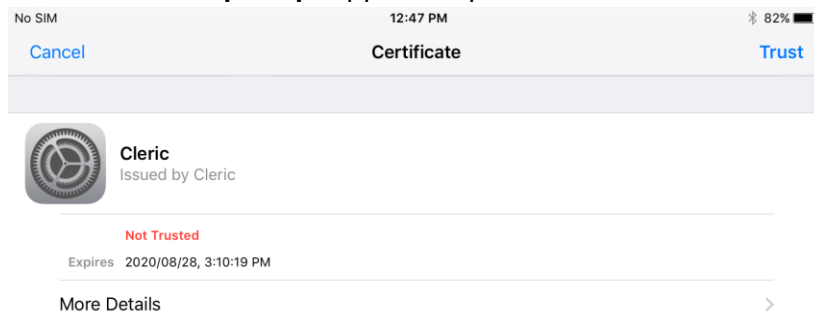

4. Enter your **Bishops** computer **Username** and **Password**

5. If prompted with a wireless network message, tap **Dismiss**

6. If a **certification prompt** appears tap **Trust**

7. When a tick appears next to **Bishops Wi-Fi_Prep** and the Wi-Fi icon appears in the top left corner of the display, you have successfully connected to the Bishops Network.
