WELCOME TO THE HARDIE MINUTE

BY RICHARD HARDIE
FOUNDER & DIRECTOR

TIME FLIES WHEN YOU ARE HAVING FUN

As the owner of Hardie Property, I have been in the real estate business for nearly 23 years. I have always said I love my job and I have never disliked Mondays. As I approach 45 years old and time seems to be getting faster and faster, I worry that I am not reaching my personal goals as well as the goals for Hardie Property. Time is simply slipping away but only because myself and team are very busy.

However, talking of goals, a recent conversation with a life/business coach made me realize that what Hardie Property has achieved in three years is actually phenomenal and we should be proud. Trust me I am, I just have to sometimes remind myself.

The next issue of the Hardie Minute 'could' have a lot of exciting news to share but at this point I need to remain calm, keep shtum and share with you what I can.

As always we can't share all our success stories in four pages but Linda and Lyndsay continue to dominate especially in Rondebosch, Rosebank and Mowbray. Fellow Bishops parent Bruce is doing a sterling job and has recently secured a further sale in the recently re-branded Pullman Hotel and Residences in the City Centre with a couple more deals bubbling. I am also delighted to say that Hardie Property is sponsoring Bruce and a team of 10 riders for the up and coming Double Century Endurance Road Cycling Event.

We have recently added Miracle Kidz Safe House to our list of monthly charity donations giving back to the community from our successes.

Well done team and watch this space!

MIRACLE KIDZ SAFE HOUSE

To provide a safe and loving temporary home to abused, abandoned and neglected children. Furthermore, to feed, clothe and attend to any medical requirements that are needed.

GIVING BACK HARDIE PROPERTY COMMISSION TO THE COMMUNITY

Hardie Property is not just about selling & renting property. It's about sharing our successes with others who are less fortunate.

We give our clients the opportunity to make a gift along with Hardie Property, to a cause close to their heart. A percentage of the sale or rental commission will be donated upon the successful transfer/signed lease of a property.

The Hope Exchange, Tears Animal Rescue, Foster Love Animal Rescue and Miracle Kidz Safe House are four of our featured charities.

Henley & Partners Education

In unpredictable times, most of our clients are looking to secure world-class education for their children in top universities that provide a stable, safe, and nurturing environment.

Henley & Partners Education offers expert, impartial advice and support to parents globally who are looking to secure the best education for their children. Our consultants have been heads, principals, directors of admissions, and educators in international schools and universities across the world and, as a result, have extensive and current global networks and insights.

Henley & Partners Education provides an all-encompassing service that includes:

1. Global university placement

Headquartered in the UK, our comprehensive knowledge of global education combined with our unique, professional, objective assessment of your child's individual requirements will result in their successful placement in the most suitable university.

2. The Henley Academic Profiling Assessment (HAPA)

A comprehensive aptitude evaluation of academic skills for children aged between six and sixteen. Your HAPA specialist will not only consider your child's current academic position, but they may also provide advice on the next appropriate steps.

3. Concierge services

Throughout the process, from searching for the best options, to preparing your child for interviews, to mentoring and providing emotional support, to assistance with obtaining student visas, to helping you and your family settle in should you decide to relocate, we offer bespoke additional support services, tailored to meet your family's specific needs.

Henley & Partners Education is your trusted education advisor, problem solver, information gatherer, and reliable support network wrapped into one. For more information, e-mail southafrica@henleyglobal.com or visit henleyglobal.com

TRAVEL

“ It was a fantastic trip, and everything worked like clockwork. So, excellent all around. Amazing animals, great staff and the three camps were each nice with random surprises which were fun. The hot air balloon was also very cool, and a perfect change of pace. We look forward to our next African adventure. ” **MARC TARPENNING (USA)**

ADOPT A *turtle*

Adopt a hatchling

You can play an essential part in a turtle's rehabilitation by helping to care for one of the rescued hatchlings in the Turtle Conservation Centre.

Adoption is a great option for everyone! This is an affordable way to contribute to a turtle hatchling's rehabilitation and make a difference in its future.

Adopters receive naming rights, a personalised certificate of adoption and regular updates about the cohort of hatchlings their adoptee is a member of.
